## Appendix A – Refund Assessment Guide (Indicative Only)

This table provides **general guidance only** on how refund requests may be assessed.  
 All refunds are assessed **case by case** in accordance with this policy and the **Australian Consumer Law**.

| Refund Scenario                                                | General Assessment Approach                                                                                                                                                                                                                                              |
|----------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Withdrawal within the refund period (7 calendar days)          | <p>Fees paid may be refunded, less an administration fee reflecting reasonable costs incurred up to the date of withdrawal.</p> <p>Where applicable, any administration fee applied reflects reasonable costs incurred and applies to qualification enrolments only.</p> |
| Withdrawal after the refund period                             | Refunds are not automatically granted and are assessed based on services delivered, reasonable costs incurred, and the circumstances of withdrawal.                                                                                                                      |
| Course cancellation by SNS College                             | Full refund of fees paid or transfer to an alternative course, at the student's choice.                                                                                                                                                                                  |
| RTO closure or training ceased not of the student's own accord | Full refund or suitable referral in accordance with regulatory requirements.                                                                                                                                                                                             |
| RPL or Credit Transfer granted after enrolment                 | Refunds are assessed based on services delivered and costs incurred, in line with Australian Consumer Law.                                                                                                                                                               |

**Important:** Nothing in this annex limits a student's rights under the **Australian Consumer Law**.

## Appendix B – Schedule of Fees

The SNS – Schedule of Fees (V1.0) outlines all tuition and non-tuition fees applicable to training products delivered by SNS College of Western Australia.

The Schedule of Fees is a controlled standalone document and forms part of this Procedure. It includes:

- qualification fees and payment arrangements
- stand-alone unit and short course fees
- administration fees (where applicable)
- late payment, reassessment, extension and replacement certification fees

The Schedule of Fees:

- is approved by the RTO Manager
- is made available to learners prior to enrolment
- is referenced in enrolment documentation and the Student Handbook

All fee administration and refund decisions must be applied in accordance with:

- the SNS – Schedule of Fees (V1.0) in effect at the time of enrolment
- this Fee Administration and Refund Procedure
- the SNS Fee Administration and Refund Policy
- the Australian Consumer Law

## Appendix C – Work Instruction: Prepaid Fee Monitoring & Xero Data Extraction

### 1. Purpose

This Work Instruction outlines the process for extracting financial data from Xero and updating the Prepaid Fee Monitoring Register to ensure compliance with prepaid fee limits and learner financial protection requirements under the Standards for RTOs 2025 (Outcome Standards 2 and 4).

### 2. Frequency

Prepaid fee exposure is reviewed:

- Quarterly (minimum)
- Prior to Annual Declaration
- When significant enrolment growth occurs
- When financial viability concerns arise

### 3. Responsible Roles

| Role                               | Responsibility                           |
|------------------------------------|------------------------------------------|
| Finance / Administration           | Extract financial data from Xero         |
| Training Manager                   | Confirm delivered training value         |
| CEO                                | Review and sign off quarterly monitoring |
| Compliance Manager (if applicable) | Record governance evidence               |

### 4. Step-by-Step Process

| Step 1 – Extract Fee Collection Data from Xero                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
